Summary

Highly motivated and detail-oriented Human Resources graduate seeking an entry-level HR position. Aiming to utilize skills in recruitment, employee relations, and HR operations to contribute to organizational success

Education

MBA in Human Resource Services and Management: Amity University, Noida (2023-2025).

B.Sc. in Chemistry and Zoology: Dr. Ram Manohar Lohia Awadh University, Ayodhya (2019-2022).

Diploma in Instrumentation and Control: Feroze Gandhi Polytechnic, Raebareli (2016-2019).

Skills

HR Core: Recruitment, Selection, and Employee Onboarding. Operations: Payroll Basic Knowledge and HRIS (Human Resources Information Systems)

Projects

The "Projects" section in this file (Cloning and Heterologous Expression) appears to be a mistake, as it matches the Biotechnology projects from the previous resume (Aditis) and does not align with Arpit's HR and Science background. You may want to double-check this on the original document.

Experience

Vatsalya Digital Solution | Process Associate

September 2023 - March 2024

Managed data entry, validation, and analysis.

Resolved client inquiries via calls, emails, or chat.

Processed financial transactions and ensured document compliance.
